

## Labcorp LabAlert

An Important Update from Laboratory Services

February 2026

### Fentanyl and Analogues Confirmation Testing

Effective February 10<sup>th</sup>, 2026, confirmation testing for Fentanyl and analogues will be referred offsite for the neonate drug screen testing. This is to ensure there is sufficient volume for testing as all result components are not available at the Holladay Park campus. Information for testing can be found below.

Test Name:	Fentanyl with analogues
Labcorp test code:	738660
EPIC EAP:	LAB2799
Result components:	Fentanyl, Norfentanyl, Sufentanil, Alfentanil, Norsufentanil, Acetyl Fentanyl, Acetyl Norfentanyl

\*Labcorp is now the performing and billing laboratory for most Legacy Health lab testing. By combining Legacy Health's history of outstanding service with Labcorp's comprehensive test menu, lab medicine expertise and support capabilities, we are confident that we will build upon the outstanding tradition of delivering high-quality laboratory services to patients in the Portland & Southwest Washington communities.

For additional information, please contact your account representative, client services or consult the [Lab Test Tables](#) on our website.
