

Labcorp LabAlert

December 2025

An Important Update from Laboratory Services

UPDATE: Urine Drugs of Abuse Panel added to GS Testing Menu

Effective December 9, 2025, Urine Drug Panel ED with Fentanyl (LAB2467) will be performed in-house at Labcorp at Legacy Good Samaritan Medical Center. No changes to specimen requirements will occur.

IMPORTANT: Urine Drug Panel ED with Fentanyl (LAB2467) is a screening test only. Confirmatory testing must be ordered separately by the provider.

*Labcorp is now the performing and billing laboratory for most Legacy Health lab testing. By combining Legacy Health's history of outstanding service with Labcorp's comprehensive test menu, lab medicine expertise and support capabilities, we are confident that we will build upon the outstanding tradition of delivering high-quality laboratory services to patients in the Portland & Southwest Washington communities.

For additional information, please contact your account representative, client services or consult the [Lab Test Tables](#) on our website.
